THANK YOU

To Buffy & Brenda Vander Galien for coaching our girls volleyball team. The season has come to an end but we truly appreciate their dedication to a fantastic year of teaching our young ladies new skills while they learned to work together as a team.

A NOTE FROM MRS. HART

Helpful tip for memorizing math facts, memory work or any kind of homework: Please allow your child to move! For some students, allowing them to pace, bounce on an exercise ball, or stand while memorizing or doing homework, can improve their ability to memorize and stay on task!

Apple Pie Update! We did it again, 5335 pies made and 250 still available to sell!

Thanks to everyone for an incredible selling effort! The apple pie committee would like to extend a HUGE thank you to

each and everyone one of you for all the hours you worked. This year's pie making went VERY well thanks to each of you and your wonderful children!!! I don't believe we dropped a single pie, ok maybe 1 or 2!!!

For those of you who still need to pay for pies, full payment is due as soon as possible! Pies not yet picked up, can be pulled from the white freezer at

RCS. JUST A REMINDER:

Please stop in the office when picking up your remaining pies or any extras you may have sold, so we can record the correct amount with payment on the master sheet. This will help us keep better count of how many we still have available to sell. Thanks!

Please make sure to THANK this years' sponsors when you see them!!!!
