The EMS will be doing free blood sugar and blood pressure checks from 8-10am.

BASKETBALL COACHES NEEDED

We are in need of a coach for both the girls & boys basketball B teams. This would be a great opportunity to share your love of the sport with the next generation.

SCHOOL ARRIVAL TIME

We are grateful that students are eager to start their school day, however for safety reasons, we would ask that students do not arrive before 8AM. We understand if you are dropping them off on your way to work & it is a bit earlier, but many students have been arriving at 7:45 and we are not staffed to monitor them before 8AM. Thank you for your cooperation.

SIDEWALK SHOVELER NEEDED

With the beautiful weather this past week it's hard to think about winter being right around the corner. RCS is in need of a dedicated individual or family willing to shovel our sidewalks. This would fulfill a Parent Assoc. requirement so please contact the office if this is a job you are willing to commit to.

100Yr CELEBRATION

The RCS board is looking forward to celebrating God's faithfulness in the lives of our children. In 2013, we will celebrate our 100th year of Christian education in the area. The board is looking for individuals interested in planning for this event. This might include a Celebration Service, a commemorative booklet, and/or a display of artifacts from the past 100 years. If you would be interested in serving in this way or know of someone who may, please contact Mr. Heuver or Brian Cupery.

MEDICATION POLICY

The Medication Authorization forms are available on the school website for you to print off, sign & turn in to the office if your child has prescription medications or if you are bringing in over-the-counter medications as well as cough drops. Each child needs their own bottle. With the cold & flu season right around the corner, please be aware that the office cannot dispense any medication that isn't brought in specifically for that child.
