

Cross-Categorical Special Education Teacher
Randolph Christian School
Job Description

Qualifications:

1. Must hold a special education degree.
2. Must hold a current Wisconsin or alternative teaching license.
3. Must understand special education policy and procedures (IEP, ISP, etc.).

Job Summary:

Provide students with appropriate learning activities and experiences designed to fulfill their potential for intellectual, spiritual, emotional, physical, and social growth; enable students to develop competencies and skills to function successfully.

Basic Responsibilities:

1. Collaborate with General Education Teachers and other professionals concerning students who are at risk in the learning environment.
2. Remediate learning deficits through direct instruction with students.
3. Evaluate skills and neurodevelopmental patterns to meet the needs of the students.
4. Coordinate ISP's, updating them annually or as needed.
5. Design and deliver direct instruction appropriate to the neurodevelopmental and academic needs of students, including home and life skills if needed.
6. Advise General Education Staff concerning effective teaching strategies, materials, and curriculum relative to assessment results.
7. Participate in parent meetings during scheduled school conferences (as needed).
8. Maintain records of students' objectives and student progress.
9. Keep the school administrator informed of specific student, program, and General Education Staff concerns.
